AUC48R
Refrigerator

AUC48F
Freezer

Two Door Under-Counter/ Worktop Refrigerators and Freezers

- *Tested to NSF Standard 7 requirements for open food storage.*
- *All Arctic Air products come with full one year parts and labor warranties and a five year compressor warranty.*

Arctic Air products must pass numerous quality control inspections throughout the manufacturing process.

All products are operated and monitored for a minimum of thirteen hours prior to packaging and shipping.

Two Door Under-Counter Worktop Refrigerators and Freezers

Stainless design. Stellar performance. Superior value.

- *Solid door construction with foamed-in-place recessed handle.*
- *Freezer doors have integral factory installed heating element to eliminate condensation.*
- *Magnetic door gaskets are removable and replaceable without tools.*
- *Exterior cabinet construction consists of full stainless steel front and sides.*
- *Interior cabinet is bright white ABS liner with full stainless steel floor with coved corners.*
- *Larger fan motors and blades for more efficient air flow ensuring faster recovery times.*

- *Condensate heating element built into condensate pan for efficient evaporation of excess water.*
- *Electronic thermostat with external digital LED display for accurate control and easy reading.*
- *Two adjustable, heavy-duty epoxy coated wire shelves.*
- *Self contained capillary tube system using environmentally friendly CFC free refrigerant (R404A in freezers and R134A in refrigerators).*
- *All units come standard with heavy-duty worktop surface.*
- *Standard top panel is removable for use in lower height applications (reduces total height by 1.5″).*
- *Self closing doors that remain open at 90 degrees.*
- *Easy to mount casters (two lockable) are standard with all units.*
- *Tested to NSF Standard 7 requirements for open food storage.*
- *All Arctic Air products come with full one year parts and labor warranties and a five year compressor warranty.*

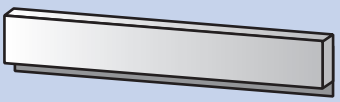
Model Number	External Dimensions Width	Depth*	Height**	Doors	Shelves	Cubic Feet	Temperature Range	Cord Length	HP	Amps	NEMA Plug	Crated Weight (lbs.)
AUC48R	48.25″	30.0″	35.625″	2	2	12	33°F to 41°F	8	3/8	5	5-15P	260
AUC48F	48.25″	30.0″	35.625″	2	2	12	–10°F to +10°F	8	5/8	9	5-15P	280

*Depth with door open 90° — AUC48R/AUC48F = 54.75″
**Height includes 3″ for casters. Height with worktop panel removed = 34.125″

Optional Backsplash Accessory (#65160)

Backsplash is easily mounted and comes with NSF food grade silicone sealant for seam.

Width= 48.25″ Depth= 1″ Height=4″



Optional Shelf Kit (#65057K)

Each kit contains one shelf and four mounting clips.
