Lugs

Specifications:

- Ideal for transporting and storing all types of products -warm or cold food processing, preparation, etc.
- Win-Holt Lugs are compatible with other industry brands and are competitively priced.
- High density, polyethylene Lugs will not rust or dent. Smooth interior and wide radius corners for easy cleaning. Built-in handles for easy carrying.
- 1.3 cu. ft. capacity holds up to 100 lb (45 kg).
- 4:1 nesting ratio saves space and reduces handling of empties. Lugs designed to prevent jamming.
