

Countertop Paring Knife Displays

These tiered displays provide an attractive and efficient way to sell Millennia® paring knives. Each compartment holds 12 paring knives. Order one simple item number for a completely stocked display. Use refill numbers to reorder individual colors.

Displays Include:

- Epoxy coated holder
- Two-sided multi-lingual header card
- Millennia® paring knives

Two-sided header card in Spanish/English on one side, French/English on the other.

Tiered design for easy access to knives, clear sight of handle colors, and quick restocking.

Constructed of epoxy coated, heavy-gauge steel.

Small footprint –
4 compartment –
5³/₈" wide x 5" long,
8 compartment –
5³/₈" wide x 10" long.
