

Compartment Sink

S3C171718RL Three Compartments
With Two 18" Drainboards

Features

- 16-gauge, 304 stainless steel construction
- 17" x 17" bowl size
- 12" deep bowl
- Left & right 18" drainboards
- Centered drain with a 3.5" drain basket
- Galvanized steel legs
- Stainless steel leg sockets
- Measures 91" L x 22.5" D x 44.75" H
- Corrosion resistant
- NSF-listed

Benefits

- Complete washing solution for soiled dishes, pans, flatware, and more in a commercial kitchen.
- Two drainboards keep soiled dishes separated from clear ones and add necessary storage space for dishes coming in and out of the sink while facilitating drainage.
- Two pre-drilled holes, 8" center, for faucet installation (not included).
